RE: New outpatient location

Dear Payer,

I'm happy to share that we are expanding our service location to add an offsite location that will offer outpatient mental health PHP and IOP services. The location will share the hospital tax-id number of 38-2409580 and the hospital NPI number of 1053841650.

Here is the physical address:

Cedar Creek Hospital  
3645 E. Jolly Road, Suite A  
Lansing, MI 48910

We are requesting the addition of this location to our current contract and to your provider directory. Finally, we are requesting the assignment of our current PHP and IOP reimbursement rates to the new outpatient location.

What additional information or documentation do you need from us to make this happen as soon as possible? I'm requesting that you work with Andrew Stalusky, Regional Director Managed Care, on this matter. We look forward to treating your members in this new location.

Regards,
