

**Technical Requirement**  
**Continuing Education Requirements for Recipient Rights Staff**

**I. Background/Regulatory Overview**

The purpose of this Technical Requirement is to establish processes for meeting the educational mandates for Recipient Rights Officers/Advisors set forth in the following sections of the Michigan Mental Health Code and MDHHS/CMHSP Managed Mental Health Supports and Services Contract.

**330.1754 State office of recipient rights; establishment by department; selection of director; powers and authority of state office of recipient rights.**

(2) The department shall ensure all of the following: (f) Technical assistance and training in recipient rights protection is available to all community mental health services programs and other mental health service providers subject to this act.

**330.1755 Office of recipient rights; establishment by community mental health services program and hospital.**

(2) Each community mental health services program and each licensed hospital shall ensure all of the following: (e) Staff of the office of recipient rights receive training each year in recipient rights protection.

**MDHHS/CMHSP Managed Mental Health Supports and Services Contract:**

The Community Mental Health Services Program (CMHSP) shall assure that, within the first three months (90 days) of employment, the Recipient Rights Office Director, and all Rights Office staff (excluding clerical staff) shall attend and successfully complete the Basic Skills Training programs offered by the Department's Office of Recipient Rights. In addition, within every three (3) year period subsequent to their completion of Basic Skills, the Recipient Rights Office Director and all Rights Office staff (excluding clerical staff) must comply with the requirements specified in Attachment C6.3.2.3A "Continuing Education Requirements for Recipient Rights Staff".

**II. Definitions**

**A. Continuing Education Unit:**

One Continuing Education Unit (CEU) is defined as one clock hour (60 minutes) of participation in an organized continuing education experience under responsible sponsorship, capable direction, and qualified instruction. The primary purpose of the CEU is to provide a permanent record of the educational accomplishments of an individual who has completed one or more significant educational experiences.

**B. Category I Credits: Operations**

This category includes programs that support and enhance the fundamental scope of responsibilities and effective work of recipient rights staff. These may be directly related to prevention, complaint resolution, and monitoring and education that support the fundamental scope of a Rights Office's operations. Examples include:

- Rights Office Operations Techniques
- Enhancing Investigative Skills

- Inpatient Rights
- Out-of-catchment rights protection
- Writing effective rights-related contract language
- Conducting effective site visits
- How to protect rights in a dual rights protection system

**C. Category II Credits: Legal Foundations**

This category includes programs that enhance the understanding and application of the Mental Health Code, Administrative Rules, Disability and Human Rights Laws, HIPAA and the MHC, Federal Laws and regulations and any other laws addressing the legal rights of a mental health recipient.

**D. Category III Credits: Leadership**

This category includes programs that support and enhance the leadership abilities of rights staff. Examples include:

- Community Mental Health Services Program (CMHSP) issues
- How to establish a rights presence in an organization
- Understanding rights data and how to use it to trigger systemic organizational changes
- What goes on in a Failure Mode Event Analysis (FMEA)/Adverse Event Review
- Working with key individuals in your organization—Customer Services, Contracts Unit, and how it can enhance rights

**E. Category IV Credits: Augmented Training**

This category includes training sessions that contains information that would help rights staff have a better understand the people they serve, their disabilities, their families, or training indirectly related to rights but affecting rights. These may include trainings in mental health conditions and disabilities, treatment and support modalities, recovery, and self-determination as long as these topics can be ascertained to have a component that relates to assisting the attendee in the protection of rights. Examples include:

- Understanding MI/SUD Co-occurring disorders
- How to communicate with people with disabilities
- Ethics
- Consumers from different cultures
- Diversity Issues

**F. CMHSP: Community Mental Health Services Program**

**G. Continuing Education Committee:**

A committee appointed by the Director of the MDHHS-ORR Education, Training, and Compliance Unit. This committee shall consist of rights staff and management from MDHHS-ORR, CMHSP's, and LPH/U's and shall have at least one representative who is a Licensed Master's Social Worker (LMSW). This committee shall review applications and assign an appropriate category to each approved application. Committee members shall be appointed for a three-year term and may be re-appointed at the discretion of the Director of ORR.

- H. Department: Michigan Department of Health and Human Services (MDHHS)
- I. LPH Licensed Private Hospital

### **III. Standards**

#### **A. Basic Requirements**

All staff of the Department, a community mental health services program (CMHSP), or a licensed private Hospital (LPH), employed for the purpose of providing recipient rights services shall, within the first 90 days of employment, attend, and successfully complete, the Basic Skills Training curriculum as determined by the Michigan Department of Health and Human Services Office of Recipient Rights. The Basic Skills curriculum shall consist of the following classes:

##### Basic Skills – Part 1

The first part of the mandatory training, this course is designed to provide participants with the knowledge of the laws required to carry out the mandates of the Mental Health Code and the activities necessary to operate an ORR office in compliance with applicable laws, rules, and standards.

##### Basic Skills – Part 2

The second part of the mandatory training, this course is designed to provide participants with the skills related to investigation, report writing and processing, that are needed to carry out the requirements of the Michigan Mental Health Code.

#### **B. Continuing Education Requirements**

1. All staff employed or contracted to provide recipient rights services shall receive education and training oriented toward maintenance, improvement or enhancement of the skills required to effectively perform the functions as rights staff.
2. A minimum of 36 contact hours of education or training shall be required over a three (3) year period subsequent to the completion of the Basic Skills requirements, and in every three (3) year period thereafter.
3. The 36 contact hours obtained must be in rights-related activities and must fall within one or more of the categories identified in the definitions above. At least 3 credits must be earned each calendar year.
4. A minimum of 12 contact hours must be obtained in programs classified as Category I or II.
5. No more than 12 credits in a 3-year period may be earned through the use of online learning resources.
6. CEU's may be received by attending programs or conferences developed by the Department, other rights-related organizations, organizations that have applied to the Office of Recipient Rights Education, Training and Compliance Unit for approval of their programs or through online training.
7. Rights staff may request approval for other educational programs by utilizing the established approval process described within this document.
8. Recipient rights staff should retain documentation of meeting the CEU requirements for a period of four (4) years from the date of attendance. It is suggested that the following information be kept on file:

- a. The title of the course or program and any identification number assigned to it by the MDHHS ORR Education, Training, and Compliance Unit.
- b. The number of CEU hours completed.
- c. The provider's name.
- d. Verification of attendance by the provider.
- e. The date and location of the course.
9. Reviews will be conducted by the MDHHS Office of Recipient Rights-staff at each assessment of a recipient rights program to determine if all rights staff have met both the basic and continuing education requirements.
10. CMHSPs who contract with Licensed Private Hospitals/Units shall mandate compliance with the standards in this Technical Requirement by the Recipient Rights Office staff of those entities.

### **C. Procedures for Training approval**

1. Training that is automatically approved for CEU credits:
  - a. MDHHS ORR training excluding Basic Skills
  - b. All sessions at the MDHHS-ORR Annual Conference, including the Pre-Conference session
  - c. Training provided by, or sponsored by, MDHHS Office of Recipient Rights
2. Training that may be approved for CEU credits, if meeting the criteria above and with the submission of the necessary documents by the applicant:
  - a. ROAM sponsored training
  - b. CMH/LPH/U sponsored training
  - c. Training provided by other agencies, entities, professionals, accreditation bodies, risk management, corporation counsel/lawyer, etc.
  - d. Training provided to the Rights Officer/Advisor for their profession's licensure.
  - e. Other training in the community at large, including on-line training, if requirements as detailed above are met.
3. CEU Documentation and Notification
  - a. Application  
To apply for CEU credits for a training, complete the MDHHS ORR Continuing Education Course Summary (Exhibit A) form and send by email, mail or FAX, within 30 calendar days of the event to:

MDHHS ORR Education, Training, and Compliance Unit  
18471 Haggerty Road  
Northville, MI 48168  
FAX: 248-348-9963  
Email: [MDHHS-ORR-Training@michigan.gov](mailto:MDHHS-ORR-Training@michigan.gov)

- b. Verification of attendance.  
Attendance can be verified through provision of a Certificate of Attendance, copies of a training record, copy of an attendance/sign in sheet, a copy of the training

agenda or outline with a self-attestation statement that the applicant did attend the training. Verification of attendance shall be kept on file with the applicant and be readily available for review by MDHHS-ORR, if requested.

c. **Notification**

Applicants will receive notification of approval determination for CEU credits no later than 30 business days following receipt of the required documents. Approved courses, credit and category information will be posted on the ORR website.

d. **Application Review, Approval and Appeal**

Applications from organizations outside the Department, or applications from individuals who have attended, or plan to attend, training programs shall be reviewed and approved or rejected by the Continuing Education Committee. If an application is rejected by the Continuing Education Committee, it may be appealed to the director of the Office of Recipient Rights. The decision of the Director of ORR is the final MDHHS position on the application.

<b>Describe how the content relates to Rights?</b>				

**Please attach a detailed agenda.**

**Technical Requirement**  
**Recipient Rights Training Standards Requirements for CMH and Provider Staff**

**Rationale**

The purpose of this Technical Requirement is to establish consistent content for the training of new staff in the CMHSPs and their provider agencies. Establishment of these criteria is required in order to provide a standardized knowledge base to all staff that assures the rights of recipients are applied in a consistent manner across the state. This consistency should also enable various CMH agencies to accept the training of similar agencies and, thus, decrease cost of training by eliminating the need for redundant retraining.

**Authority**

**330.1753 Recipient rights system; review by department.**

The department shall review the recipient rights system of each community mental health services program in accordance with standards established under section 232a, to ensure a uniformly high standard of recipient rights protection throughout the state. For purposes of certification review, the department shall have access to all information pertaining to the rights protections system of the community mental health services program.

**330.1754 State office of recipient rights; establishment by department; selection of director; powers and authority of state office of recipient rights.**

(2) The department shall ensure all of the following: (f) Technical assistance and training in recipient rights protection are available to all community mental health services programs and other mental health service providers subject to this act.

**330.1755 Office of recipient rights; establishment by community mental health services program and hospital.**

(5) Each office of recipient rights established under this section shall do all of the following: (f) Ensure that all individuals employed by the community mental health services program, contract agency, or licensed hospital receive training related to recipient rights protection before or within 30 days after being employed.

**Definitions**

**Content Requirements:**

The content requirements are a set of skills necessary for an understanding of the rights of mental health recipients. These requirements reflect foundational knowledge that professionals and paraprofessionals engaging in the provision of services to public mental health recipients, as well as ancillary bodies such as committees and board members, must have in order to provide services in accordance with Chapter 7 of the Michigan Mental Health Code.

**Recipient:**

An individual who receives mental health services from the department, a community mental health services program, or a facility or from a provider that is under contract with the department or a community mental health services program.

**Resident:**

An individual who receives services in either a state operated facility, a licensed psychiatric hospital or unit or an adult foster care facility.

**STANDARDS:**

1. Training for newly hired agency and provider staff shall encompass the entirety of the core learning areas identified in Exhibit A.

2. If provided or required, annual rights training may focus on any or all of the learning areas.

3. Agencies may require documentation of competency in these areas through testing.

<b>MHC 330.1722 ABUSE AND NEGLECT</b>

**Code Language**

*A recipient of mental health services shall not be subjected to abuse or neglect.*

**CONTENT REQUIREMENTS**

- “Abuse” means:
  - An act (or provocation of another to act) by an employee, volunteer or agent of the provider that causes or contributes to a recipient's death, sexual abuse, serious or non-serious physical harm or emotional harm.
  - The use of unreasonable force on a recipient with or without apparent harm;
  - An action taken on behalf of a recipient by a provider, who assumes the recipient is incompetent, which results in substantial economic, material, or emotional harm to the recipient;
  - An action by an employee, volunteer, or agent of a provider that involves the misappropriation or misuse of a recipient's property or funds for the benefit of an individual or individuals other than the recipient
  - The use of language or other means of communication by an employee, volunteer, or agent of a provider to degrade, threaten, or sexually harass a recipient.
- Agents of the Provider: people who work for agencies that contract with the Department, a CMHSP or PIHP, or an LPH
- "Bodily function" means the usual action of any region or organ of the body.
- “Degrade” means
  - (a) Treat humiliatingly: to cause somebody a humiliating loss of status or reputation or cause somebody a humiliating loss of self-esteem; make worthless; to cause a person to feel that they or other people are worthless and do not have the respect or good opinion of others. (syn) degrade, debase, demean, humble, humiliate. These verbs mean to deprive of self-esteem or self-worth; to shame or disgrace. (b) Degrading behavior shall be further defined as any language or epithets that insult the person's heritage, mental status, race, sexual orientation, gender, intelligence, etc.
- "Emotional harm" means impaired psychological functioning, growth, or development of a significant nature as evidenced by observable physical symptomatology or as determined by a mental health professional.
- “Neglect” means:
  - Acts of commission or omission by an employee, volunteer, or agent of a provider that result from noncompliance with a standard of care or treatment required by law, rules, policies, guidelines, written directives, procedures, or individual plan of service:
    - that caused or contributed to the death, sexual abuse of, serious, or non-serious physical harm or emotional harm to a recipient, or
    - that placed, or could have placed, a recipient at risk of physical harm or sexual abuse.
  - The failure to report apparent or suspected abuse or neglect of a recipient.
- "Non-serious physical harm" means physical damage or what could reasonably be construed as pain suffered by a recipient that a physician or registered nurse determines could not have caused, or contributed to, the death of a recipient, the permanent disfigurement of a recipient, or an impairment of his or her bodily functions.
- “Physical management” means a technique used by staff as an emergency intervention to restrict the movement of a recipient by direct physical contact to prevent the recipient from harming himself, herself, or others.

- "Serious physical harm" means physical damage suffered by a recipient that a physician or registered nurse determines caused or could have caused the death of a recipient, caused the impairment of his or her bodily functions, or caused the permanent disfigurement of a recipient.
- "Sexual abuse" means any of the following:
  - Criminal sexual conduct as defined by section 520b to 520e of 1931 PA 318, MCL 750.520b to MCL 750.520e involving an employee, volunteer, or agent of a provider and a recipient.
  - Any sexual contact or sexual penetration involving an employee, volunteer, or agent of a department operated hospital or center, a facility licensed by the department under section 137 of the act or an adult foster care facility and a recipient.
  - Any sexual contact or sexual penetration involving an employee, volunteer, or agent of a provider and a recipient for whom the employee, volunteer, or agent provides direct services.
- "Sexual contact" means the intentional touching of the recipient's or employee's intimate parts or the touching of the clothing covering the immediate area of the recipient's or employee's intimate parts, if that intentional touching can reasonably be construed as being for the purpose of sexual arousal or gratification, done for a sexual purpose, or in a sexual manner for any of the following:
  - Revenge.
  - To inflict humiliation.
  - Out of anger.
- "Sexual harassment" means sexual advances to a recipient, requests for sexual favors from a recipient, or other conduct or communication of a sexual nature toward a recipient.
- "Sexual penetration" means sexual intercourse, cunnilingus, fellatio, anal intercourse, or any other intrusion, however slight, of any part of a person's body or of any object into the genital or anal openings of another person's body, but emission of semen is not required.
- "Threaten" means to tell someone that you will hurt them or cause problems if they do not do what you want.
- "Time out" means a voluntary response to the therapeutic suggestion to a recipient to remove himself or herself from a stressful situation in order to prevent a potentially hazardous outcome.
- "Unreasonable force" means physical management or force that is applied by an employee, volunteer, or agent of a provider to a recipient in one or more of the following circumstances:
  - There is no imminent risk of serious or non-serious physical harm to the recipient, staff or others.
  - The physical management used is not in compliance with techniques approved by the provider and the responsible mental health agency.
  - The physical management used is not in compliance with the emergency interventions authorized in the recipient's individual plan of service.
  - The physical management or force is used when other less restrictive measures were possible but not attempted immediately before the use of physical management or force

<b>MCL 330.1744</b>	<b>FREEDOM OF MOVEMENT</b>
<b>MCL 330.1708</b>	<b>LEAST RESTRICTIVE SETTING</b>

**Code Language**

*Mental health services shall be offered in the least restrictive setting that is appropriate and available.*

*The freedom of movement of a recipient shall not be restricted more than is necessary to provide mental health services to him or her, to prevent injury to him or her or to others, or to prevent substantial property damage, except that security precautions appropriate to the condition and circumstances of an individual admitted by order of a criminal court or transferred as a sentence-serving convict from a penal institution may be taken.*

**CONTENT REQUIREMENTS**

- Mental health services shall be offered in the least restrictive setting that is appropriate and available.
- The freedom of movement of a recipient shall not be restricted more than necessary to provide mental health services, to prevent injury to himself, herself or others, or to prevent substantial property damage
- House rules may restrict freedom of movement only by general restrictions:
  - From areas that could cause health or safety or problems
  - Temporary restrictions from areas for reasonable unforeseeable activities including repair or maintenance
  - For emergencies in case of fire, tornadoes, floods, etc.
- Seclusion and restraint are prohibited except in a MDHHS operated or licensed hospital. Every patient in one of those settings has the right not to be secluded or restrained unless it is essential to prevent the patient from physically harming himself, herself or others.

- Time out, defined as a VOLUNTARY response to a therapeutic suggestion to a recipient to remove himself or herself from a stressful situation to another area to regain control. (AR 330.7001[x])
- Physical management, defined as a technique used by staff as an emergency intervention to restrict the movement of a recipient by direct physical contact to prevent the recipient from harming himself, herself or others. (AR 330.7001[m])
- Physical management may only be used when a recipient is presenting an imminent risk of serious or non-serious physical harm to himself, herself or others and lesser restrictive interventions have been unsuccessful in reducing or eliminating an imminent risk of serious or non-serious physical harm.
- Physical management must not be included as a component of a behavior treatment plan
- Prone immobilization of a recipient for the purpose of behavioral control is prohibited (by agency policy) or implementation of physical management techniques other than prone immobilization is medically contraindicated and documented in the recipient's record) (AR 330. 7243 [11][i][ii])
- This right can be limited but only as allowed in the individual plan of service (IPOS) following review and approval by the Behavior Treatment Plan Review Committee (CMH only) and the special consent of the 47

<b>TECHNICAL REQUIREMENT FOR BEHAVIOR TREATMENT REVIEW COMMITTEES</b>

#### **Code Language**

*The responsible mental health agency for each recipient shall ensure that a person-centered planning process is used to develop a written individual plan of services in partnership with the recipient. A preliminary plan shall be developed within 7 days of the commencement of services or, if an individual is hospitalized for less than 7 days, before discharge or release.*

#### **CONTENT REQUIREMENTS**

- The responsible mental health agency for each recipient shall ensure that a person-centered planning process is used to develop a written individual plan of services in partnership with the recipient.
- A preliminary plan shall be developed within 7 days of the commencement of services or, if an individual is hospitalized for less than 7 days, before discharge or release.
- The individual plan of services shall consist of a treatment plan, a support plan, or both.
- A treatment plan shall establish meaningful and measurable goals with the recipient.
- The individual plan of services shall address, as either desired or required by the recipient, the recipient's need for food, shelter, clothing, health care, employment opportunities, educational opportunities, legal services, transportation, and recreation.
- The plan shall be kept current and shall be modified when indicated. The individual in charge of implementing the plan of services shall be designated in the plan.
- If a recipient is not satisfied with his or her individual plan of services, the recipient, the person authorized by the recipient to make decisions regarding the individual plan of services, the guardian of the recipient, or the parent of a minor recipient may make a request for review to the designated individual in charge of implementing the plan. The review shall be completed within 30 days and shall be carried out in a manner approved by the appropriate governing body.
- An individual chosen or required by the recipient may be excluded from participation in the planning process only if inclusion of that individual would constitute a substantial risk of physical or emotional harm to the recipient or substantial disruption of the planning process. <b>MHC 330.1100(a) (19) AR 330.1703 CONSENT AND INFORMED CONSENT</b>
--

**Code Language**

*"Consent" means a written agreement executed by a recipient, a minor recipient's parent, or a recipient's legal representative with authority to execute a consent, or a verbal agreement of a recipient that is witnessed and documented by an individual other than the individual providing treatment.*

**CONTENT REQUIREMENTS**

(1) All of the following are elements of informed consent:

(a) Legal competency. An individual shall be presumed to be legally competent. This presumption may be rebutted only by a court appointment of a guardian or exercise by a court of guardianship powers and only to the extent of the scope and duration of the guardianship. An individual shall be presumed legally competent regarding matters that are not within the scope and authority of the guardianship.

(b) Knowledge. To consent, a recipient or legal representative must have basic information about the procedure, risks, other related consequences, and other relevant information. The standard governing required disclosure by a doctor is what a reasonable patient needs to know in order to make an informed decision. Other relevant information includes all of the following:

- (i) The purpose of the procedures.
- (ii) A description of the attendant discomforts, risks, and benefits that can reasonably be expected.
- (iii) A disclosure of appropriate alternatives advantageous to the recipient.
- (iv) An offer to answer further inquiries.

(c) Comprehension. An individual must be able to understand what the personal implications of providing consent will be based upon the information provided under subdivision (b)

(d) Voluntariness. There shall be free power of choice without the intervention of an element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion, including promises or assurances of privileges or freedom. There shall be an instruction that an individual is free to withdraw consent and to discontinue participation or activity at any time without prejudice to the recipient.
